May 1

Rollover Membership

Rollover Membership 2026-27

What is rollover membership?

It's our convenient and easy way for you to continue enrollment into the next season and guarantee a spot in a class. It's quick & easy and takes very little of your time. Yearly membership fees are automatically run on May 1, with a discount. You'll save \$10 per student with rollover!

An information sheet that reviews the details is in your folder this week.

Later in April, students will receive teacher feedback and class recommendations for next season. Dancers receive an Easy-Enroll form with your class options. It has our recommendations of the class that best fits your dancer's age, level, and abilities. However if you need to adjust that, just stop at the desk before May 15 and we'll make the changes.

Our musicians will be carried over to the same lesson day/time/teacher as this year. You can also request scheduling changes between May 1-15.

Keep checking your folders for these important details!

Class Recommendations & Easy Enrollment Forms

In mid-April, each student receives an Easy Enrollment form with class recommendations for the new year, along with feedback from their teacher. Please return these forms to the desk between May 1-15 to hold their spot. It takes just a quick minute to review your schedule, calculate tuition and get a quick signature.

Musicians are guaranteed their current day/time/teacher for next year. If a schedule change is needed, please submit requests ASAP. The sooner we know about your scheduling changes, the better we can work to meet them. We work to resolve changes in early May before new students enroll.

Summer Enrollment is Open!

Summer enrollment is OPEN! Classes will fill fast but is initially only open to current members for 2 weeks. Plus if you enroll in April, you save 15%. Other early bird specials will run in May but you'll never get a discount this big. Don't let your child miss out on the new and exciting things the summer programs have to offer! See the Summer flyer for details and specifics. There is something for everyone.

Music Recitals - May 9!

Music recitals are scheduled for Saturday, May 9 at Xavier University. Teachers are working with musicians to select their perfect piece. Look for a schedule by May 1 from Mrs. Jennifer. As always, there is no admission fee, however donations will be accepted for the Gretna Food Bank. We appreciate your generosity.

Dance Revue Ticket Sales

Tickets to our dance revues go on sale May 14. As in years past, they can only be purchased through an online ticket sales company, Dance Recital Tickets. Their site is easy to use and they have fabulous customer service. More details will be coming soon, including your coupon code to claim your 5 free tickets (part of your revue fee).

Dress Rehearsals & Group Pictures

Details are coming, but mark your calendar for May 11-17. Each dance class/level will take a group photo in one dance costume and will rehearse all of their routines in all of their costumes. The schedule is close to your dance schedule. A handout will be in your folder later this month with your dancer's details.

Stay Informed!

Over the next few months, lots of information will be sent home. Please be sure you are checking your folders WEEKLY, checking your emails, visiting our website & social media, along with our CDMS App. We have summer programs, music recitals, rollover registration, group pictures, dress rehearsal, ticket sales, performances and more!

Your Parent Portal has class resources to help you prepare for our dance revue. You can find your costume instruction sheets as well as practice music for each of their dances.

Very soon our Revue Handbooks will be finalized to help you prepare for a successful show day. An online link will be sent to access it all digitally. It will be linked from the CDMS App and our website.

Save These Dates:

It's possible for dates to change.
Check emails and notices for updates.
