## Join us for a January Mini-Session: Singing in Harmony

Announcing a fun new 6-week class for any of our Music Students ages 10 and up: **Singing in Harmony**! This class is for anyone who'd like some experience making music with others in a group, voice lessons not required! We'll cover some basics of singing before we launch into the building blocks of harmony (you might learn a few piano chords along the way!). We'll take what we learn to popular songs voted on by the group. This class is 100% pressure-free and guarantees 100% fun!

**Class times: Saturdays (1/20, 1/27, 2/3, 2/17, 2/24, 3/2) 1:00-2:00 pm**

## Holiday Showcase Success!

Everyone did a fantastic job at our **Music Holiday Showcase Recitals** this year! Congratulations to all of our performers and instructors for putting in so much time and effort in the midst of a busy holiday season. We truly enjoyed hearing the beautiful music everyone had been working on!

It's time to look ahead to our Spring Music Recitals! Participation forms will be handed out in early March. **Our Spring Recitals are slated for Saturday, June 1, at UNO's Recital Hall.** Our families and students love performing at this special venue, with the Steinway grand piano and acoustics designed to make every musician sound their best. We hope everyone can participate!
