JANUARY 2023

## January Music Intensive: Chord Chart Mastery!

The start of the new year is a great time to learn something new! If you've ever wondered how people can play a song without reading sheet music, here's your chance to learn the secrets, tips, and tricks of Chord Charts!

Chord Chart Mastery will teach our musicians all about chord charts: what they are, where to find them, and how they work, as well as the basic knowledge needed to use them to make music! We'll use the popular songs Dance Monkey, Thunder, and It's Raining Tacos as examples. This workshop will be held on **Saturday, January 21 at CDMS from 2:30-4:00 p.m.** for students at Musical Milestone Level 3 or higher. Sign up today as spots are limited!

### UPCOMING DATES

**January 21**

time TBA

## Download Our New App!

We are excited to announce the new Creative Dance & Music Studio App, where you can easily access your parent portal account, news and events. It's all in one place! You can even get notifications directly to your phone. Scan this handy QR code to download the app today!

## Looking Ahead: Spring Music Recital June 3

Our Holiday Music Showcase was a huge success! We enjoyed hearing our new and returning students as they shared their beautiful music with family and friends. Everyone did a fantastic job, and we're so proud of you all!

Our next performance opportunity will be our year-end, Spring Music Recital held at the Recital Hall at UNO. Our families and students love performing at this special venue, with the Steinway grand piano and acoustics designed to make every musician sound their best. We hope everyone can participate! More information will be available in early March, so stay tuned.

Remember to join us for Parent Peek Week during the final teaching week of each month! It's the best time to step into your musician's lesson for updates, information, and a little sample of something we've been working on!
