

**Musical Milestones is a music-based education in creativity.** We combine traditional music skills and training with specialized learning experiences in creating, performing, and understanding music and the creative process. All of our students receive individualized instruction, yet all work towards a common goal: **becoming the next generation of innovators, collaborators, and artists.**

**Milestone 1: Develop Healthy Habits**

**Milestone 2: Explore Your Creativity**

**Milestone 3: Discover Other Cultures**

## ADAGIO LEVEL

Milestones 1-3 form a foundation of regular practice, composition, and learning about music around the world, that continues through all levels.

## ANDANTE LEVEL

Intermediate students build on their basic musical skills, setting goals for themselves and exploring the values of working with others to create new musical experiences.

**Milestone 4: Gain Independence**

**Milestone 5: Become a Collaborator**

**Milestone 6: Practice Teamwork**

**Milestone 7: Try a Leadership Role**

**Milestone 8: Utilize Technology**

**Milestone 9: Develop Your Artistry**

## ALLEGRO LEVEL

Later intermediate to advanced students gain valuable opportunities in conducting or directing, using technology for creative projects, and developing a more specialized performance of music.
